My dear Balgair,

I am glad to receive your letter dt 4/6 and pleased to learn about the latest Contributions towards Total Quality movement. Please Continue your endeavours without hawking about its recognition or otherwise. God Bless you. I often remember you.

I have also read your letter addressed to SS.N but I know, it would not have been seen by her.

Please do find sometime whenever you happen to be in DLH next.

I have no immediate plans to visit D. D. D.

With warm regards,

Yours aff.
